

Scope of Accreditation For Agdia Incorporated

52642 County Road 1
Elkhart, IN 46514
Coilin Walsh
574-264-2014 ext 254

In recognition of a successful assessment to ISO/IEC 17025:2005, accreditation is granted to **Agdia Incorporated** to perform the following tests:

Accreditation granted through: **July 15, 2018**

Testing- Biological

Technology	Range, when necessary	Methods Used	Product Types	Remarks
Serological		ELISA (TS-I-540-067)	Plant Pathogens	General ELISA Protocol Based on Manufacturer's Methods
		Lateral Flow Strip (TS-I-540-068)	Plant Pathogens	General Lateral Flow Assay Protocol Based on Manufacturer's Methods
		Immunoblot (TS-I-540-003), (TS-I-540-004)	Plant Pathogens	Pc Phytoblot Instruction Xc Phytoblot Instruction Based on Manufacturer's Methods
Molecular		PCR (TS-I-540-002)	Plant Pathogens	Conventional PCR Protocol Based on Manufacturer's Methods
		Real-time PCR (TS-I-540-005)	Plant Pathogens	Agdia Real-time PCR Protocol Based on Manufacturer's Methods
		Hybridization (TS-I-540-007)	Plant Pathogens	Agdia Nucleic Acid Hybridization Protocol Based on Manufacturer's Methods
		Isothermal Amplification (TS-I-540-069)	Plant Pathogens	General Isothermal Amplification Assay Protocol Based on Manufacturer's Methods

Notes:

- 1) This laboratory offers commercial testing service.
